Accreditation Canada International

Al Emadi Hospital: Setting a Benchmark in Excellence

Al Emadi Hospital proudly stands as the first private hospital in Qatar to receive Canadian Accreditation in 2011 and to earn the esteemed Diamond Level accreditation from Accreditation Canada International (ACI) in the year 2019. This honour represents the pinnacle of global recognition for outstanding medical and administrative practices, underscoring the hospital's dedication to providing exceptional quality and ensuring patient safety

Accreditation Canada International (ACI)

* Started on 2011
* Attained Gold level in the year 2013

* Attained Platinum level in the year 2016

* Accredited with Diamond level since 2019 till 2024

- Assess organizations against standards developed by Health Standards Organization (HSO), International Standards Organization (ISO) and others

Centre of Excellence in Metabolic and Bariatric Surgery

Certified as a Centre of Excellence in Metabolic and Bariatric Surgery (COEMBS) from The Surgical Review Corporation in September 2015 – United States of America and was the first hospital in Qatar to receive this prestigious acknowledgement.

Moreover, the hospital's Chairman, Founder and General & Bariatric Surgery Senior Consultant, Dr Mohamed Al-Emadi, has received the 'The Surgeon of Excellence in Metabolic and Bariatric Surgery' certificate for his distinguished career and achievements in bariatric and metabolic procedures.

ISO 9001:2015 Quality Management System

Al Emadi Hospital has been awarded the prestigious ISO 9001:2015 Quality Management System Accreditation. This international recognition is a testament to our unwavering commitment to delivering excellence in patient care, operational efficiency, and continuous improvement. It reflects our dedication to upholding the highest standards in healthcare and reinforces the trust our patients place in us every day. At Al Emadi Hospital, quality isn't just a goal — it's our promise.

Continuous Medical Education

Al Emadi Hospital is also the first private healthcare facility to be accredited in the State of Qatar by the Ministry of Public Health as CME Facility Accredited Provider in the year 2015 up to present
